Tapuhi Whai Rēhitatanga

On Call Casual Vacancy
HOSPICE MID-NORTHLAND

Come and join our team in a casual capacity covering busy periods or annual leave. Would you like to know a bit more?

Hospice Mid-Northland is a charitable organisation providing specialist palliative care for patients and families living in the mid-north. Hospice cares for people with a life limiting illness in our community, therefore this role includes travel across the mid north area of Northland assessing and supporting our patients and families/whanau in their own homes. This position is based in Kerikeri.

Reporting to the Clinical Manager, you would be an experienced RN joining our community nursing team and providing specialist palliative care as part of Hospice Mid Northland multi-disciplinary team. This is a unique opportunity for a special person to join a highly skilled clinical team with a strong reputation in the palliative care field.

Are you a :

- Registered Nurse with a current Practising Certificate
- Solutions focussed and demonstrate sound problem solving skills
- Have experience nursing in a community setting
- Have a current valid driver's licence
- have NZ residency or a valid NZ work visa.

Experience in palliative care is a strong advantage plus the willingness to work towards a Post Graduate nursing qualification.

Shortlisted applicants must be available for interview in Kerikeri on Monday 21st September
Applications close at 5.00pm Friday 18th September

We can offer you a rewarding role with strong team support and to be part of a wonderful organisation. If this sounds exciting and you have the right qualifications/experience then don't delay.

Hospice Mid-Northland's priority is to reduce inequities in access to service especially for Maori. Te Tiriti o Waitangi is foundational to our work to address this both internally and across the health system.
